Election Statement

Hello I'm Jess Brock. I would like to run for individual rep as I have been caving my whole life. I started up in Yorkshire with the Northern Pennine Club and then at Uni I joined the University of Bristol's club where I joined the committee and rebuilt the training programme. On this committee I was driven and devoted to make improvements within the club and implement structures to aid future years and successful handovers. As a student I have really enjoyed the CHECC community and want to help diversify the student body. In this role I would be driven and dedicated to the caving community as I have been for the past twenty one years.
